About The Company

Blovetac Construction (Pvt) Ltd is a multi-disciplinary building and civil engineering construction company, with proven capabilities over a wide range of different technical fields in the construction industry. Blovetac construction began as a general works contractor in 2007. Over the years, the group has undertaken many challenging projects and accumulated skills, knowhow and experiences in design and build solutions, project management services, building trades and related civil engineering works. Today, Blovetac Construction takes on the role of main contractor for construction projects and performs project management services to coordinate specialist trades for industrial/ commercial projects. We also provide design inputs and engineering solutions as value add services to our clients. Our objective is to provide our clients with an "I am assured" experience when we are chosen to execute their projects. Our emphasis on clear communication and follow through procedures ensures that client's objectives are top priority in the planning and execution of all our processes.

Our Vision

To become a leading and respectable contractor delivering beyond expectation, always in Zimbabwe and the international community

Our Mission

Blovetac Construction is committed to building long term relationships based on integrity, performance, value and client satisfaction. We strive to procure projects at competitive pricing, provide safe working conditions and deliver quality work within reasonable time frame. The company is dedicated to maintaining professional standards within the building and Civil Engineering Industry

Blovetac
CONSTRUCTION

**RE: NATIONAL CATEGORISATION/REGISTRATION OF CONTRACTORS:
APPLICATION TO BE REGISTERED AS A BUILDING CONTRACTOR:
BLOVETAC CONSTRUCTION P/L**

Your letter for Renewal has been considered and I am pleased to inform you that you have been approved to submit bids for work upto the maximum amount allowed under category "E" ***Note that the expiration date of this categorisation is 31 DECEMBER 2025 and the category is subject to review according to your capacity and performance at the time of renewal.***

If you would like to challenge this decision or reapply at a later time to be placed in a higher category, you will need to provide this office with additional comprehensive evidence that fully verifies that your firm as it currently exists has completed individual works within the claimed category's value. You will also need to provide a bank or certified public accountant's statement attesting to your ability to finance such large-scale projects with current capital.

The value of the largest individual contract that can be done is represented by the category gazette, which is as follows under the applicable Government Notices.

Category A
Category B
Category C
Category D
Category E
Category F
Category G
Category H

No ceiling Unlimited
up to US\$6million
Up to US\$3million
Up to US\$1,5 million
Up to US\$1 million
Up to US\$ 800 000
Up to US\$500 000
Up to US\$250 000

000828PWD

The Government of Zimbabwe publishes government tender notices for projects under the appropriate category.

Please Blovetac Construction P/L acknowledge receipt of this letter; which is your official registration and should be preserved.
